INDEPENDENT AUDITORS' REPORT

To the Members of

HIND SYNTEX LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **HIND SYNTEX LIMITED** ("the Company"), which comprise the Balance Sheet as at September 30, 2013, and the Statement of Profit and Loss and the Cash Flow Statement for the period ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

- (a) *During the period ended on September 30, 2013, the Company has charged to the Statement of Profit and Loss of ₹ 4,562,725 in respect of Gratuity and of ₹ 1,738,402 in respect of Compensated Absences. In the absence of detailed information from an Independent Actuary, inter alia, as to the present value of obligation and employee benefits cost to be recognised respectively in the Balance Sheet and Statement of Profit & Loss, we are unable to ascertain the adjustment and the charges which should have been made to the Statement of Profit & Loss, respectively, in respect of Gratuity and Compensated Absences, as contemplated by the Accounting Standard-15 ("AS-15") on "Employees Benefits" [AS-15 (Revised)] and accordingly, we are unable to comment on the effect thereof on the Profit for the period and the consequential effect on the Statement of Profit & Loss, and Current Liabilities and Provisions carried forward for the period end. (Refer note No.25 of notes forming part of the financial statements)*

Further, in view of the absence of the information as aforesaid, the Company has not made disclosures of reconciliation of obligation, fair value of plan assets, Actuarial assumptions, etc. as required by AS-15 (Revised).

- (b) *Based on a technical opinion, the Company has provided depreciation on all plant and machinery (including Power Plant) as continuous process plants at the rate pursuant to notification in GSR No.756E dated 16.12.1993 on straight line method.*

On the basis of the Guidance Note issued by the Institute of Chartered Accountants of India on "Some Important Issues Arising From The Amendments To Schedule XIV to the Companies Act, 1956", in our opinion, depreciation should have been provided at the rate other than that provided for continuous process plant Schedule XIV of the Companies Act, 1956.

Had depreciation been provided at the rate other than that provided for continuous process plant, depreciation for the period would have been ₹ 12,293,997 (instead of ₹ 47,056,590), Profit for the period (Net of Deferred Tax Assets of ₹ 11,278,723 for such depreciation) would have been ₹ 226,346,083 (instead of ₹ 180,304,767) and for the period end, Net Block of Fixed Assets would have been ₹ 49,002,269 (instead of ₹ 172,109,870), Debit Balance in the Statement of Profit and Loss, after adjusting balances in Reserves and Surplus (except to the extent of ₹ 183,744,615 on account of Capital Reserves), (Net of Deferred Tax Asset of ₹ 39,942,261 for such depreciation) would have been ₹ 129,750,812 [instead of Debit Balance in the Statement of Profit and Loss, after adjusting balances in Reserves and Surplus (except to the extent of ₹ 183,744,615 on account of Capital Reserves), of ₹ 46,585,472] and there would have been Deferred Tax Asset (Net) of Rs. Nil (instead of Deferred Tax Assets (Net) of Nil).

- (c) *During the period ended on September 30, 2013, the Company has arrived at an "One Time Settlement" (OTS) of dues with its lenders, the cut-off date being September 30, 2012; as a result, the lenders have agreed to waive the principal amount of ₹ 174,826,756/- and such amount is credited to Capital Reserve which is not in accordance with the Accounting Standard (AS) 5 on "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies" as notified under the Companies (Accounting Standards) Rules, 2006. In fact, the said treatment is not in line with the opinion of the Expert Advisory Committee (EAC) of the ICAI on Accounting treatment of waiver of loan.*

Had the said waiver of principal amount of loan been credited to the Statement of Profit and Loss instead of the Credit reflected in Capital Reserve account, the profit for the period and the carried forward balances in Surplus under the head 'Reserves & Surplus' would have been higher by ₹ 174,826,756.
